WRATH OF THE DRAGONS

GAME FEATURES

BASE GAME - WALKING WILD FEATURE

If there are less than 3 Bonus symbols in the game, there is a chance to trigger Walking Wild Feature.

Walking Wild Feature:

- In walking wild feature wild symbols(minimum 1, maximum 5) will be replaced in place of existing symbols.
- All winnings containing a wild symbol are multiplied by the id the reel number where wild reel is positioned.
- In case of more than one active wild reels, the highest multiplier is used.
- And then re-spins will be awarded with respect to the number of reels remaining from left to right(Starting from where the wild reel is positioned). Example: If wild is awarded on 1st reel then 4 re-spins will be awarded. If wild is awarded on 3rd reel then 2 re-spins will be awarded.
- Re-Spins will end when there are no more wild reels on the game field.
- Bonus feature or additional walking wild feature cannot be triggered during re-spins.

WRATH OF THE DRAGONS

ADDITIONAL INFORMATION

Randomization

Random Number Generator (RNG)

The Random Number Generator and its implementation has been tested and certified for randomness according to prevailing industry standards by an accredited, independent, 3rd party test facility.

MALFUNCTION MANAGEMENT

If a player attempts to access a game using an invalidated session, (for example, due to inactivity or system restart), an error message is displayed in the game. The player can then log on again and resume game play.

The game state is always stored so the player can resume game play exactly where he or she left off.

In case of an HTTP error, network timeout or server error a "technical error" message will be displayed to the player and the game will stay in an "unavailable" state until the player reloads the game at a time when the game becomes available.

If a session times out, a "session timeout" message will be displayed to the player and the game will stay in an "unavailable" state until the player reloads the game.

Reload

In case of out of money event, an "Insufficient Balance" message will be displayed to the player and the game will stay in an "unavailable" state until the player reloads the game.

Message

You have insufficient balance!

Deposit

This document provides details of how a player is informed of balance return payments and the technical process.

Information regarding session timeouts and malfunction is provided to the player via the game rules. Specifically the player is informed that "In the event of malfunction of the gaming hardware/software, all impacted game and bets and payouts are rendered void and all impacted bets refunded".

WRATH OF THE DRAGONS

Information to the player:

Players receive a response required message every hour of continuous play: They cannot continue playing unless they respond to the message which provides them with details about the amount bet and won so far during game play.

Players have access to their game session history and game rules from within the game at all times.
