

BLACKJACK

NetGaming's new Blackjack has a retro look with an option for players to change the felt colour. It is played with 8 decks of cards. The minimum and maximum hand bet are available on the top right side of the table. The Dealer will not automatically check for Blackjack.

DESKTOP VERSION

LIST OF OPTIONS

SPLIT: If the first 2 cards are of the same face value, the player has an option to split the hand into two separate hands.

DOUBLE: After 2 cards are dealt, the player can choose to increase the bet by opting 'DOUBLE'. The bet increase is equal to the original bet, only one more card is drawn. The player may double after splitting.

INSURANCE: If the Dealer's first face-up card is an Ace, the player will be given a chance to insure each of their regular bets against the dealer having Blackjack. The player can opt for 'YES TO ALL' to opt insurance for all played hands at once. The player can opt for 'NO TO ALL' to decline insurance for all played hands at once. The player can opt for or decline insurance for each hand individually.

REBET: Place the same bets as in the previous round.

BLACKJACK

REBET & DEAL: Place the same bets as in the previous round and deal the cards.

DOUBLE & DEAL: Double your bets from the previous round and deal the cards.
