

DRAGON FORTRESS - BATTLE OF THE CASTLE

Once upon a time, there was a castle full of casino riches. Players in the village shared legends about the hidden treasures inside the castle. Every door opened a room full of random wilds, wild reels and coin wins. The treasure chests overflowed with multipliers, free spins, lotteries and bonus picks. Everyone wanted these treasures but not many managed to get out alive from this castle! The mighty dragon guarded the castle and kept all the fortune hunters away. Everyone feared the dragon until Colin the Conqueror was born.
