

WINFINITUM REELS

Winfinitum Reels is one of the easiest slot there is for the players. You don't need a payable, just simple addition, multiplication or a decimal point determines the bet multiplier. This multiplier is applied to the total cash bet to calculate the win. Our first steampunk theme slot with a twist!

BASE GAME

- Win multiplier is determined with a simple mathematical calculation.
- It is applied to the total cash bet to calculate the win.
- Whenever a functional (non-blank) symbol lands on all 3 reels, the mathematical calculation is applied to determine the bet multiplier.
- Blank spaces* generate no win.

NUDGE FEATURE

- When exactly 2 reels land functional symbols, there is a potential to trigger the Nudge feature.
- During the Nudge feature, the reel that does not have a functional symbol moves in either direction.
- The Nudge feature can result in a functional symbol or a blank space*.

WINFINITUM REELS

ULTRA SPINS FEATURE

- When addition (+) or multiplication (x) symbols land on the middle reel, Ultra Spins feature can be triggered.
- Ultra Spins can be triggered in both winning and non-winning combinations.
- During the Ultra Spins the side reels spin 5 times and award wins.

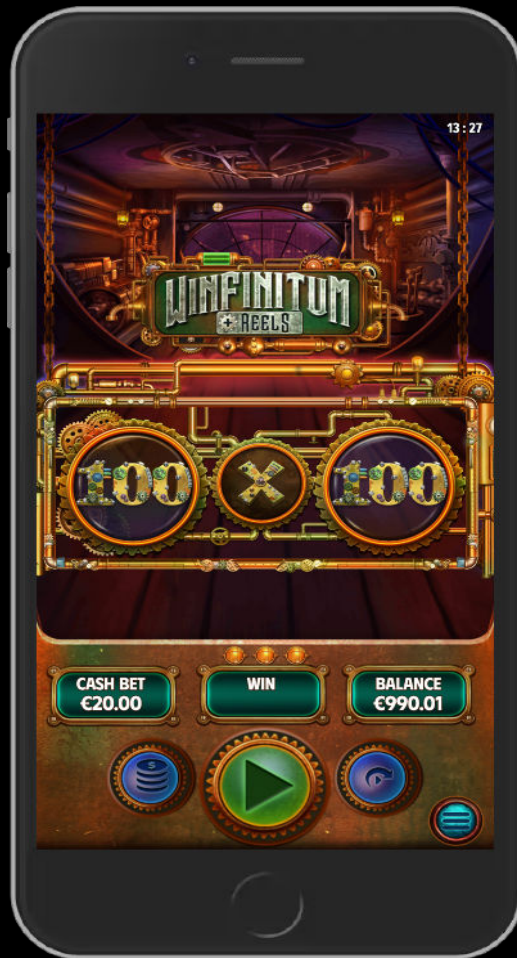

*Blank space is indicated by a hyphen towards the bottom of the reel.
